

Zermatt Festival

THE ZERMATT FESTIVAL HAS FRIENDS...

The village of Zermatt at the foot of the Matterhorn is a haven of peace and tranquillity and situated in one of the most beautiful places of the world. Its unique atmosphere in the midst of a breath-taking natural landscape was very much appreciated by the world-famous cellist Pablo Casals who regularly spent his holidays here in the 1950 and 60s and who was a co-founder of the Zermatt Summer Concerts and Masterclass Courses. The Zermatt Festival, which started in September 2005, has now revived this tradition. Orchestral and chamber concerts with the Ensembles and Soloists of the Berlin Philharmonic take place in different constellations at the Riffelalp Chapel, situated at a magnificent height of 7,290 ft (2,222 meters) above sea level, and also at other venues in the village of Zermatt. We have also revived Pablo Casals' tradition of an annual international Chamber Music Academy, led by members of the Berlin Philharmonic.

To ensure that the Zermatt Festival can be permanently sustained, it requires both financial and non-material support from numerous sponsors and sponsorship organizations. Even as a private person, you can make a decisive contribution to the permanent security of the Zermatt Festival.

We would therefore be extremely grateful if you decided to support the Zermatt Festival as a Friend. This would involve either a regular annual amount or a single donation.

All you need to do is declare your sponsorship on the attached form. In recognition of your sponsorship you will receive preferential prices.

With our very best wishes,

Me Olivier Verrey
President
